

**California Advanced Homes Program™
Single Family Project Adjustment Form**
Pacific Gas & Electric Service Territory

The purpose of this application is to request a modification to the terms of an approved California Advanced Homes Program application. Please fill out the entire form in order to have your request processed. Be aware that some adjustments may result in a change to the incentive amount. **Lots that use added or adjusted plan types may not be eligible for incentives if the plans are not CAHP approved. Please consult the adjustment checklist document for detailed rules regarding eligibility and additional items that may also need to be submitted with this application form.**
